To work in an environment that challenges me to improve and constantly thrive for perfection in all the tasks allotted to me.

---

## SKILLS

- Time Management
- Adaptability
- Team Collaboration
- Problem Solving
- Communication
- Leadership

---

## PROJECT WORK

- **DIGITAL BUS PASS SYSTEM**

Develop a website which will be helpful to the MSRTC to generate Digital bus pass. The digital bus pass system represents a significant advancement in public transportation management, providing enhanced convenience for users. It will also provide the notifications accordingly. By digitalizing the traditional bus pass system, this system not only saves time but also provide better understanding of required specific documents.

- **JEWELLERY WEBSITE DEVELOPMENT**

Developed a Jewellery website that has crucial key points that highlights professional presence of Jewellery shop, admin have various facilities like view customer list, add update or delete a new Jewellery
